

## Proportioning Systems

Lockable metal chemical holding cabinet provides added security yet is easily accessible for product servicing.

### 4 Product **DURABLE** Dilution Solution Chemical Dispensing System

This totally secured lockable dispensing system allows for dispensing of 4 Dilution Solution products at low flow and 1 product high flow with bottle and bucket fill. The most popular chemical dispensing option for most applications. Pistol grip handle for high flow bucket fill and actuated dispenser for bottle fill. Equipped with flex gap back flow device.

- Rugged metal construction protects chemicals
- Provides a secure means to house chemicals
- Front door ensures easy chemical access
- Designed to mount securely to the wall
- Holds 4 each 64oz containers

262219 5 Product Dispenser

### Mainfill Hand Held Dispenser

Designed for "tip in bottle" Dilution Solution System. Simply attach unit to hose, connect to chemical of choice and dispense accurately diluted chemicals. Low flow units dispense at 1 gpm for spray bottle fill. High flow units dispense at 4 gpm for bucket and tank fill.

- 262039 low flow
- 262044 high flow
- 262043 foam dispenser

### Convenient & Easy to Use

- One-handed fill
- Spray bottle actuated dispensing lever
- Dilutions preset
- Easy to fill buckets or bottles
- Locking button for bucket fill
- Pre-set tamper proof tip in bottle dilutions

### Safe to Use

- Closed loop system prevents concentrated chemical contact
- Flex-Gap back flow prevention
- Locking cabinet
- Color coded, numbered secondary bottles
- English & Spanish labels
- Sturdy metal cabinet

### Reliable & Cost Effective

- Highly concentrated effective products
- Precise, controlled dilutions
- Low end use costs
- Concentrated chemical means reduced inventory and storage costs
- "No Pour" bottle design eliminates waste and misuse

### Innovative

- Products for every purpose
- Reliable engineered dispensing components
- Low foam fill
- Accurate, uninterrupted chemical fill

### Compact Size

- 1/2 gallon bottles
- Compact unit fits in the tightest space
- Reduces clutter
- No floor space is required
- Easy to transport
- Available in several product configurations

### Flexible

- Multiple product options
- Low flow, high flow and foam dispensing options
- Green Seal Certified products
- Mobile fill - anywhere anytime
- Maintenance free
- Space saving device

### #1 Restroom Cleaner

Phosphoric acid-based cleaner for safe, effective removal of soil, hard water deposits and scale from urinals, toilets, shower walls, bathtubs, ceramic tile, drinking fountains and chrome fixtures.

- 110064 6/64 oz case
- 110064T1 6/64 case Low Flow
- 290025-1 Secondary bottle label

### #6 Really Lemon Deodorant

Can be sprayed in the air and on surfaces for the elimination of malodors in bathrooms, trash receptacles or any area where disagreeable odors occur. Really Lemon can be added to mopping solution and extraction or carpet shampoo solutions for effective deodorizing.

- 110664 6/64 oz case
- 110664T1 6/64 case Low Flow
- 290025-6 Secondary bottle label

### #2 Non-Acid Restroom Cleaner

Non-acid, synthetic detergent cleaner for enamel, porcelain and tile. Deodorizes as it safely removes scale, soap film and stains from bathroom fixtures. Excellent for regular use in removing hard water deposits.

- 110264 6/64 oz case
- 110264T1 6/64 case Low Flow
- 290025-2 Secondary bottle label

### #7 Country Fair Deodorant

Pleasant linen fragrance. Surface or air deodorant for the elimination of malodors in bathrooms, trash receptacles or any area where disagreeable odors occur. Add to mopping solution and extraction or carpet shampoo solutions for effective deodorizing.

- 110764 6/64 oz case
- 110764T1 6/64 case Low Flow
- 290025-7 Secondary bottle label

### #3 Enzyme Cleaner/Deodorant

Revolutionary way to keep restrooms sparkling clean. Bacterial formulation that effectively cleans and deodorizes without harsh chemicals. Nontoxic, safe and biodegradable.

- 110364 6/64 oz case
- 110364T1 6/64 case Low Flow
- 290025-3 Secondary bottle label

### #8 Cleaner/Degreaser

Designed for safe use in cleaning floors, walls, kitchen counters, hoods and vents, ovens and any areas where grease buildup is a problem. Contains no phosphates.

- 118364 6/64 oz case
- 118364T1 6/64 case Low Flow
- 118364T4 6/64 case High Flow
- 290025-8 Secondary bottle label

### #4 Glass & Mirror Cleaner

Effective non-ammonia based cleaner for use on glass, plastic, painted surfaces and anywhere stubborn dirt and grime are present. Leaves glass sparkling clean.

- 110464 6/64 oz case
- 110464T1 6/64 case Low Flow
- 110464T4 6/64 case High Flow
- 290025-4 Secondary bottle label

### #9 Daily Floor Cleaner

Rinse-free daily floor cleaner and neutralizer. Will not dull or damage floor finish. Suitable for use with automatic scrubber or mop.

- 118464 6/64 oz case
- 118464T4 6/64 case High Flow
- 290025-9 Secondary bottle label

### #5 Multi-Surface Cleaner

Excellent nonbutyl, multi-surface cleaner and degreaser that is safe for the environment, skin and painted surfaces. Cleans up greasy sinks, pots and pans and dirty windows as well as countertops and other surfaces not harmed by water.

- 110564 6/64 oz case
- 110564T1 6/64 case Low Flow
- 110564T4 6/64 case High Flow
- 290025-5 Secondary bottle label

### #11 Heavy Duty Degreaser

Effective, safe, heavy duty degreaser formulated with detergents, safe solvents and emulsifiers. Will not harm painted surfaces. Especially effective in the removal of grease, oil, ink and carbon. Biodegradable and non-corrosive.

- 119164 6/64 oz case
- 119164T1 6/64 case Low Flow
- 119164T4 6/64 case High Flow
- 290025-11 Secondary bottle label

*Maintex, the Dilution Solution Experts*

## #15 Citra-Cide

Lemon-scented, 2 oz. per gallon, EPA registered, one-step, neutral pH, quaternary-based disinfectant cleaner. Will not dull or haze floor finish gloss. Approved for use against HIV-1, MRSA, MRSA-CA and Hepatitis B viruses. Ideal for health care, restroom sanitation, schools and institutions.

145464	6/64 oz case
145464T1	6/64 case Low Flow
145464T4	6/64 case High Flow
290035	Secondary bottle label

## #301 Glacier Glass & Surface Cleaner

Highly concentrated Green Seal Certified glass and surface cleaner leaves surfaces streak free. Non-toxic and non-combustible.

180364	6/64 oz case
180364T1	6/64 case Low Flow
290023	Screened 24oz bottle

## #16 Retaliate

Fresh-scented, EPA registered\*, one-step, neutral pH, quaternary-based disinfectant cleaner that will not dull or haze floor finish gloss. Approved for use against HIV-1, MRSA, MRSA-CA and Hepatitis B viruses. Ideal for health care, restroom sanitation, schools and institutions.

146264	6/64 oz case
146264T1	6/64 case Low Flow
146264T4	6/64 case High Flow
290040	Secondary bottle label

## #302 Pristine Cleaner Degreaser

Green Seal Certified powerful, concentrated cleaner degreaser. Quickly dissolves grease and dirt on contact.

164464	6/64 oz case
164464T1	6/64 case Low Flow
164464T4	6/64 case High Flow
290030	Screened 24oz bottle

## #201 Prespray & H.D. Spotter

The first step in your carpet program. Pre-spray & H.D Spotter is formulated to loosen ground in soils for quick and thorough cleaning. Eliminates most common spots and increases carpet cleaning productivity.

153064	6/64 oz case
153064T1	6/64 case Low Flow
153064T4	6/64 case high Flow

## #303 Shimmer Restroom Multi-Purpose Cleaner

Green Seal Certified restroom cleaner. Concentrated formula removes soap scum, body oils and hard water deposits on fixtures, grout and surfaces. Leaves restroom sparkling.

143264	6/64 oz case
143264T1	6/64 oz case 1gpm
143264T4	6/64 oz case 4gpm
290016	Screened 24oz bottle

## #204 Final Step Carpet Rinse

The final step in an effective carpet cleaning program. Revitalizes fabric and upholstery. Effectively prevents browning and streaking. Eliminates detergent residue and helps prevent carpet resoiling.

157364	6/64 oz case
157364T4	6/64 case High Flow

## #304 Trailwinds Floor Cleaner

Concentrated formula cleans dirt and grime from floor surface. Will not dull floor finishes.

120164	6/64 oz case
120164T4	6/64 oz case 4gpm

## #305 Impact EES

Green Seal Certified, multi-use, concentrated extraction solution. Excellent pre-spray and bonnet cleaner. Outstanding cleaning performance. Repeated applications provide resoiling protection and improves vacuuming efficiency. Environmental formula contains no voc's.

151864	6/64 oz case
151864T4	6/64 case High Flow

## Dispensing Options

### Chemical Mixing Stations

Convenient chemical dilution with the push of a button. Available in one to four product configurations at 1 gallon or 4 gallons per minute flow.

K7630162	KP1H Complete w/flex gap
K7630063	KP1H 1 Product x 1 GPM w/flex gap
K7630065	KP1H Dial 4 x 1 GPM
273921	KP1H Dial 4 x 4 GPM
273909	KP1H 1 Product x 4GPM

### 4-Product Mixing Center

Four-product mixing station housed in lockable, rugged stainless steel case and cover. Color coded lock down buttons and built-in backflow prevention. All buttons available in either 1 gpm or 4 gpm flow rate. Unit accommodates four 1 gallon jug style bottles.

273903 MXC104, 4 button center, each

### Sink-Mate Sink Dispenser

The Sink Mate Chemical Dispensing System is a heavy duty, water driven dispenser that automatically and consistently mixes the precise amount of detergent and sanitizer with water at the turn of a knob. The system's field proven venturi dispenses cleaning and sanitizing chemicals at 16 different mixing rates. At 4 gallons per minute, you can quickly and easily fill deep sinks and pre-soak pans. Sink Mate can be plumbed directly to the water supply or connected to the sink faucet with the Faucet Plus Sink Adapter Kit. Designed for 1 or 2 products, made of durable stainless steel.

262076 Each

### Chemical Holders

Durable plastic locking chemical holders accommodate 2 each 1/2 gallon Dilution Solution Bottles. Space saving and easy to install. Window allows for chemical viewing.

273480 Each

### Sani-Clean III Foamer

Perfect system for supermarket meat room, kitchens, bakeries and seafood stores, auto dealers, truck washing and loading docks. Stainless steel, detergent/sanitizer foaming and spray system. Features two-product chemical dispensing and one dedicated rinse valve. Sixteen chemical dilutions available. Powerful foaming wand, trigger spray gun and heavy duty hose available.

273905 Each

### Wall Mounted Push Dispenser

A unique hand pump designed to deliver accurate doses of concentrated chemicals into buckets or without lifting or tipping the container into sinks. Installs easily and is virtually maintenance free after presetting. Delivers either 1/2 oz., 3/4 oz. or 1 oz. of product each time the button is pushed.

273616 Hydro 616

### 5 Gallon Buddy Jug Rack

Modular design plastic 5-shelf rack is easy to assemble. Creates space saving storage. Sold individually, stacks up to 4 high.

262220 Blue, each

### Plastic 5 Gallon Buddy Jug Dispenser

Polyethylene dispensers with extra large fill opening. Molded graduations and spigot faucet.

290056 5 gal, each

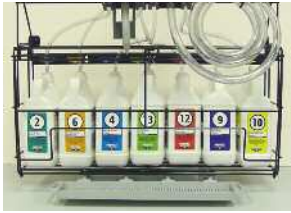

290063 Replacement spigot for 5 gal, each

## 7 Chemical Holding Rack For Dilution Solution

Larger powder coated wire rack configuration holds (7) ½ gallon bottles or (4) each 1gallon bottles. Sturdy construction and easy to install. Dispenser attaches easily to rack system.

K7225918

## 4 Chemical Holding Rack

Holds (4) ½ gallon Dilution Solution Bottles (does not fit items #301 - #304) Powder coated wire rack is durable and space saving. Dispensing unit attaches adjacent to racking system.

K7225941

## Wire Wall Bracket for Gallons

Wire bracket for gallon bottles.

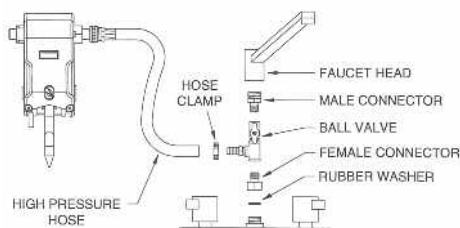

290060 Impact 800, each

## Faucet Adapter Kit

The most effective and simple way to connect your chemical mixing system to a commercial kitchen sink. The kit is easy to install and use. Simply turn the control knob to feed fresh water to a chemical mixing system or turn the knob back to fill the sink. Simply "Plumbs In" between the faucet head and water valves. Adapts to Chicago, T&S and Fischer Faucets.

7114100

## Pump Walk Sprayer

Forget pumping and heavy lifting. Ultimate in convenience. Pressurizes as you walk. The wheels carry the weight. For high volume spray applications, 4 gallon unit is an excellent tool to apply carpet prespray and carpet protectors.

2625120 Each

## Tank Sprayer

Ideal for a variety of cleaning tasks including floor maintenance, pest control and general maintenance. Nozzle adjusts from a fine spray to a powerful jet stream. Shoots contents up to 30 feet away. Poly spray attachment rotates 360 degrees with a shut-off valve with lock-on lock-off feature. Acid tank sprayer with Viton seals and gaskets. Available in two sizes.

262247 Continental 952, 2 gal, each  
2622470 Continental 953, 3 gal, each

## Corrosive Resistant Sprayers

Viton straight-neck sprayer available in 2 or 3 gallon size. High density polyethylene tank with wide base for extra stability. Brass flow control for continuous spraying and brass wand with flat fan nozzle. Strain relief spring prevents hose kinks.

265292 2 gal, each  
265293 3 gal, each

## High Output Trigger Sprayer

The largest output and most durable trigger sprayer available today. Outputs 3.33 cc per stroke. Adjustable from a fine mist to a jet stream and has a full off position. Leak proof design. Ergonomic trigger reduces operator fatigue. 9" dip tube length.

262221 Each

## Plastic Bottle

Maintex screened, round, plastic bottle with graduation marks for exact dilution.

2622232 16 oz Bottle  
262223 24 oz Bottle  
262232 32 oz Bottle

## Bottle with Sprayer

Maintex screened, round, plastic 24 ounce bottle with graduation marks for exact dilution. Includes adjustable 7" trigger sprayer with filter.

262224 Each

## Trigger Sprayers

Adjustable trigger sprayers with filter. Fits 24 ounce bottle with 7" or 9" dip tube. Adjusts from fine mist to steady stream. Available in chemical resistant model for tougher applications.

262234 7" Tube blue/white, each  
262235 9" Tube blue/white, each  
2622350 9" Tube chemical resistant, each  
262243 7" Foaming

*Maintex, the Dilution Solution Experts*

## Cleaning Accessories

### 50' x 5/8" Vinyl Garden Hose

Garden hose made of 3 ply vinyl with solid brass couplings. 50' x 5/8", 3-ply, flexible and easy to handle.

262242 Each

### 50' Rubber Hot Water Hose

Hot water hose. Red, rubber, 50'. 150 or 250 pounds working pressure. Designed for food service applications.

262244 5/8" 150 psi  
262261 3/4" 250 psi

### 4' x 5/8" Hot Water Utility Hose

4 foot red utility hose. Extended hot water use at 200°F. Great for filling mop buckets and auto-scrubbers.

2622447 Each

### Pistol Grip Nozzle with Insulated Handle

Heavy duty insulated nozzle fits 5/8" hose. All brass adjustable valve components with rust-free handle.

26251240 5/8" Hose Nozzle Each  
262264 Brass Nozzle Each

### Portion Aids

Provides accurate measurement and eliminates product waste. Ounce and cc calibrations silk screened on sides. Up to 3 ounce capacity. Use with cleaners, detergents and disinfectants.

2737872 3528, 28mm for quarts, each  
2737873 3538, 38mm for gallon, each

### 5403 Industrial Funnel

Funnel is excellent for transferring chemicals. 5 1/2" diameter. Fine screen filters out foreign particles.

263204 5403, 32 oz, each

### Measuring Cup

Liquid and dry measurements with graduations. Made of translucent polypropylene.

2701281 2416, 16 oz, each

### 1 oz. Pump Dispenser

Fits 1 gallon containers with 38mm caps. One stroke produces 1 ounce of product.

262226 1 Gallon each  
262227 5 Gallon each

### Plastic Drum Pump

Fits 5 to 55 gallon drums with 3/4" or 2" openings. Adjusts to dispense 2, 4, 6 or 8 ounces per stroke. Chemical and acid resistant.

262233 Continental 330, each

### Nickel Plated Pump

Fits 15, 30 and 55 gallon drums with 1 1/2" or 2" openings. Dispenses 22 ounces per stroke. Nickel plated pump resists chemical action of non-corrosive liquids.

262249 Continental 495, each

### Plastic Pail Lid Opener

Removes lids from plastic pails and buckets. Works quickly and effectively without cutting or distorting container.

2907210 7210, each

### Flip Caps

Easy dispensing cap for quart bottles. Directs chemical flow onto area to be cleaned.

2900620 each

## Dispensing Systems

### 5 Product **DURABLE** Dilution Solution Chemical Dispensing System

This totally secured lockable dispensing system allows for dispensing of 4 Dilution Solution products at low flow and 1 product high flow with bottle and bucket fill. The most popular chemical dispensing option for most applications. Pistol grip handle for high flow bucket fill and actuated dispenser for bottle fill. Equipped with flex gap back flow device.

- Rugged metal construction protects chemicals
- Provides a secure means to house chemicals
- Front door ensures easy chemical access
- Designed to mount securely to the wall
- Holds 4 each 64oz containers

Easily fills small containers.

262219 5 Product Dispenser

Easy chemical access

### 5 Product Chemical Dispensing System

Allows for dispensing of 4 products at low flow and 1 product high flow with bottle and bucket fill. The most popular chemical dispensing option for most applications. Pistol grip handle for high flow bucket fill and actuated dispenser for bottle fill. Equipped with flex gap back flow device.

K7630161

Simple bucket fill.
