Safety Equipment

General Purpose PVC Boots

16" injection molded single piece constructed, over-the-sock boot. Excellent protection in wet, muddy conditions. Resistant to animal wastes, acids, chemicals, grease and industrial oils. Heavy duty steel toe and reinforced shank for added protection. Various sizes available. Meets ANSI Standard Z41, Class for impact compression.

- 263035 Small, pair
- 263033 Medium, pair
- 263030 Large, pair
- 263027 Extra large, pair

Stripping Boots

Excellent skid resistance and 100% waterproof. Covers most work shoes up to the ankles. Abrasive outsoles adhere to shoes with special adhesive. Use with harsh strippers, caustic, acids, solvents and other liquids when stripping floors. Available in several sizes.

- 2637313M Medium, pair
- 2637313L Large, pair
- 2637313XL Extra large, pair
- 2637313XXL Extra extra large, pair

Disposable Shoe Covers

Polypropylene shoe cover. Universal size with plain bottom.

- 26301010 DSC-CPE 100/bag

Rain Suit

Three piece 35mm PVC over polyester suit includes jacket, hood and pants. All hardware is non-conductive and non-corrosive. Soft fabric blend lining provides greater comfort and long term durability. Well suited for a variety of weather or job applications. Resistant to abrasion, tears and industrial compounds. Available in several sizes.

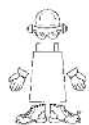

- 263162 W310 3 PC Rain Suit

Poncho

10 mm PVC rain suit poncho style is 52" x 80" protects user from inclement weather.

- 263163 25/case

Safety Vest

Econo style safety vest of synthetic material with belt closure and reflective stripes.

- 266058 Safety Vest

Safety Belt With Suspenders

Basic back support for general lifting and back support applications. Nylon construction supports lower lumbar area and abdominal region reducing fatigue. Excellent quality. Available in small, medium, large and extra large sizes.

- 263037 Small, each
- 263038 Medium, each
- 263039 Large, each
- 263040 Extra large, each
- 263039XX 2X, each

Wire Extension Cords

Tough yet flexible cords are UL listed and meet OSHA requirements. Moisture resistant with molded 3 wire male plug. Designed for rugged outdoor use. Available in 14/3 and 16/3 in 50' length and safety orange color.

- 262610 16/3 cord, each
- 262614 14/3 cord, each

Safety First!

Reduce unnecessary injuries. Listed below are a few tips from The American Academy of Orthopedic Surgeons who recommend proper safety precautions to reduce the number of accidents.

- Proper techniques for lifting, carrying and bending should be part of any task.
- Use a step stool instead of furniture when dusting hard-to-reach areas.
- Ladders used for chores should be placed on a firm, level surface. Never place a ladder on ground or flooring that is uneven, soft or wet.
- Overreaching or leaning too far to one side when working on a ladder can make you lose your balance and fall. Your belly button should not go beyond the sides of ladder.
- Minimize twisting your body when mopping. Make sure to use your legs to shift your weight, and switch sides often.
- Always follow label directions and wear personnel protection equipment.

Hair Nets & Bouffant Caps

Honeycombed 1/16" nylon hair nets are 18" long. Essential for food processing, food handling and manufacturing duties. FDA accepted.

2637386 10/bx 10bx/case

Nylon Hair Net

Lightweight 100% nylon brown color hair net. Meets FFDC requirements for food contact. Ideal for hospitals, lab work, manufacturing and food process and handling.

2632140 144/bx 10bx/case

Bouffant Hair Caps

White non-woven bouffant caps. Spun bonded polypropylene material is ideal for hospitals, lab work, food processing and handling and manufacturing. 21" cap.

263041 100/bx

Beard Cover

Polypropylene spin bonded white beard net. Universal size. Excellent for hospitals, food processing and lab work applications.

2630404 1000/case

Hair Restraints

Essential for all employees in food preparation areas. Keeps hair from coming into contact with food preparation areas.

270618 21" White spin bonded nylon hairnet 1000/cs

270624 21" Bouffant style nylon hair cap 500/cs

270625 24" White polypropylene hair cap 500/case

Disposable Non-Toxic Dust Mask

Dust mask protects from effects of pollen, dust, grass, other non-toxic particles. Durable, high quality construction with custom fit nose piece that adjusts to face contour.

263016 50/pack
263020 50/pack - 20 packs/case

Dust and Mist Respirator Mask

Disposable dust and mist respirator. Double shell construction with comfortable tight fitting seal.

263203 7312B, 20/box 12bx/case

Ear Plugs

Disposable foam cordless yellow ear plugs provide noise protection and comfort.

263266 200/box

Hard Hat

High density polyethylene head protection with accessory slots for attachments and standard four point suspension. Meets ANSI Z89.1 – type 1, class G, E, and C as required by OSHA

- 263206 Blue
- 263207 White

Safety Spectacles

Molded from 100% polycarbonate. Direct vent for maximum ventilation. Lightweight wraparound design. Includes protective brow guard and vented side shields. Scratch resistant. Provides 99.9% UV protection. Clear frame, clear uncoated lens

263017 each

Chemical Splash Goggles

Goggles with anti-fog polycarbonate lens and indirect ventilation vents. Fits over prescription glasses.

263018 7320, each

Safety Glasses

Wrap around style offers maximum coverage at the brow and sides. Lightweight comfort with molded in bridge and easy adjustable temple.

2637334 Each

First Aid Kit

Complete first aid kit serves 25 people. Includes;

- 50 Adhesive Strips, 3/4" x 3"
- 1 National Safety Council First Aid Guide
- 1 Adhesive Tape, 1/2" x 5 yds.
