

Stainless Steel Cleaner

Product Information

- Resists Fingerprints, Grease, and Water Spots
- Restores Factory Finish

Cleaner/Polish/Restorer

DESCRIPTION:

Designed as a safe alternative to traditional petroleum based solvents, Maintex Stainless Steel Cleaner cuts through dirt, grease and grime. Leaves surface shiny and fingerprint free.

DIRECTIONS:

DO NOT USE ON PAINTED SURFACES

Test product first in an inconspicuous area before use. Dampen or spray a towel or microfiber cloth with Stainless Steel Cleaner and thoroughly wipe the area to be cleaned. Wipe until dry for a lustrous finish.

Limpiador de Acero Inoxidable

DESCRIPCIÓN:

Diseñado como una alternativa segura a los tradicionales disolventes a base de petróleo, Maintex Stainless Steel Cleaner corta la grasa, tierra y suciedad. Deja la superficie brillante y libre huellas digitales.

INSTRUCCIONES:

NO USE EN SUPERFICIES CON PINTURA

Primero pruebe el producto en un área discreta antes de usar. Rocíe una toalla o un paño de microfibra con el limpiador y frote la zona a limpiar. Frote hasta que la superficie esté seca para un acabado brillante.
